About GSA FRPP

Public FRPP Data

Pursuant to the Federal Asset Sale and Transfer Act of 2016, the U.S. General Services Administration (GSA) made real property data from the Federal Real Property Profile Management System (FRPP MS) accessible to the public on December 15, 2017. FRPP MS is the federal government's centralized inventory of real property under the custody and control of executive branch agencies. The FRPP data currently accessible on this site represents the government's inventory at the end of fiscal year (FY) 2017 and FY 2016.
